## APPLICATION UPDATE

Hello T & T Tutor World, Inc. sponsored homes and facilities! The summer has come and gone so quickly. It is application update time. DC homes and center applications have already been submitted. NC and SC applications are next. See below the documents we need from you to complete your renewal application for fiscal year 22.

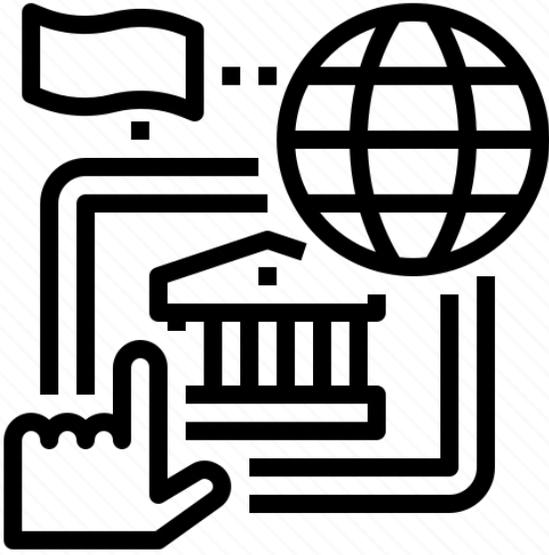

- NC: Attachment F, FY 22 Closure Dates (10/1/2021- 9/30/2022)
- SC: Application, FY 22 Closure Dates (10/1/2021- 9/30/2022)

We asked that these documents be submitted by July 31, 2021. If you have not already submitted them, they are past due. Contact your monitor or assigned office staff person for any questions or concerns.

**Submit  
Application**

**“You’ll  
never  
know how  
much your  
caring  
matters.”**

## MEAL COUNT AND ATTENDANCE

Remember to keep accurate records of the children in your care. See below some points to remember about meal count and attendance.

- Attendance is taken daily as the child enters your daycare
- Daycare home providers have until the end of the day to document meal count
- Daycare Centers document meal count/ point of service as the children are consuming the meal
- Meal count and attendance cannot be taken in advance
- All children must be recorded on the attendance form, regardless of their participation in the CACFP
- Attendance and meal count must be documented manually first before entering it into Kidkare/ Minute Menu
- Your source document (manual document) must always match what is inputted into the electronic system

Layla Harris, Nutrition Specialist and Field Monitor

Maxine Beach, Nutrition Specialist and Field Monitor

## STAFF SPOTLIGHT

My name is **Layla Harris**. I was born in Summerville, SC and that is where I still reside. I have a beautiful 6-year-old daughter who is my absolute world! My favorite family vacation is Carowinds with my wonderful partner and our daughter in Charlotte, NC. My ideal weekend is being outdoors riding four wheelers, relaxing in my backyard by the pool, and throwing some steak on the grill. As a child, I wanted to be a teacher to elementary school children. I have always had a love for babies and kids which is why I love my job now. Being able to help provide nutritious meals to children brings me so much joy!

My name is **Maxine Beach**. I was born and raised in a small North Carolina town. I now reside in Walterboro, SC. My parents were my heroes. They taught me to be a hard worker, right from wrong, and to love others. My greatest accomplishment in life is my family. My husband and I recently celebrated our 50<sup>th</sup> wedding anniversary along with our three children, six grandchildren, and great grandson. When I am with my family I am the happiest of them all. We have lots of fun, laughter, and just enjoy our time together. My second accomplishment, I had the opportunity to own my own business. I was the owner/operator of Miss Maxine's Child Care for twenty-three years before retiring in 2013. I came on board with T & T Tutor World, Inc. in November 2013 because I knew it was a good program, as I was on the program myself. I have enjoyed working with Mrs. Dillard, London, Layla, Chris, and Sara. I love to read and my favorite author is James Patterson. I personally own over 300 of his books.

“You are  
making a  
difference  
every  
day.”

## PROVIDER SPOTLIGHT

My name is **Angela Rogers**. I am a registered daycare home from North Charleston, SC. I have been in business for 25 years. My love for children has always been strong, even as a small child. I think that is why I chose to open my own daycare. I have been able to bond and show as much love as possible to each child that I have been given the special privilege to care for. They have brought so much joy and love to my life and they will always have a special place in my heart. The Food Program has played a big part in my daycare business. It has helped me be able to provide nutritious meals and snack to the children in my care each day so they can grow up to be healthy children.

My name is **Doris High** and I live in Roanoke Rapids, NC. I have been the owner/childcare provider of High's Daycare Home for 31 yrs. Caring for children runs in my family. My mother Dorothy Fleming was a home daycare provider and she was the first license home daycare in Halifax County. My sister Carolyn Battle and I followed in her footsteps. I love providing for children in my home because I feel like it's their home away from home. I love teaching, caring for them, and creating a nurturing and safe environment so that they will want to learn. It's a great feeling to know that you had a part in helping children grow, learn, and reach their milestones that helped them move to their next phase of life.

T & T Tutor World has been a blessing to me in so many ways. They have helped financially and with workshops that taught us how to provide a well-balanced and nutritious meal for the children that we provide care for. I would like to thank Mrs. Shirlee Williams for always being there when I call.

“We must not simply build a future for our youth, but build our youth for the future.”

**Little Wizard's Learning Center**, LWLC, began to offer operational excellence and caregiving to the Williamsburg County community in 2018. Since the doors opened, we have had the opportunity to showcase within our community our passion to create a unique educational environment, while instilling in children a love of learning that will never go away! The Food Program has been a tremendous blessing for LWLC as it has enhanced the food and nutritional services with a higher-quality standard that educates children and their families on maintaining a healthy lifestyle. The LWLC Family is very grateful for the T & T Tutor World, Inc. Team!!!

My name is **Javonne Haynes**, owner of Chantelle's Quality Childcare Center, LLC. I have been in childcare for over 20 years. I love being able to work and grow with families in my community. The Food Program has given me the opportunity to give the children healthy eating habits and healthy meals Monday through Friday. It has also given me the knowledge to help the parents with healthy recipes and workshops.
