August 2018 Newsletter

Application Updates

Fiscal year 2018-2019 is fastly approaching. If you would like to make any changes to your application please contact London Horton via email or phone at lhorton@tandtutortutorworld.org or 240-244-2344. The changes must be made before August 31, 2018.

When should I submit my claim each month?

The claim is to be submitted online, mailed, and postmarked, no later than the **2nd** of each month. This was established in the Sponsor- Provider agreement that was signed by each center during the startup process. Please be sure to submit your claim on time to ensure smooth claim processing.

Claim Errors

- Mixed Fruit, Mixed Vegetable, Green Salad, Fruit Salad, Cheese...

Please remember to make your menus as specific as possible. List the food items served when mixing fruits and vegetables. Specify the type of cheese and crackers that are being served. If you are serving the same thing the whole month, please state “fruit mix or vegetable mix is the same each time it is served during the month” or “American cheese served for the whole month.”

- Combination food items

For South Carolina Centers, please ensure that you have sent in a recipe for all homemade combination foods. These food items include but are not limited to: macaroni and cheese, spaghetti, lasagna, pizza, **SANDWICHES**, etc...

- Child Nutrition Label

When using a food item that requires a Child Nutrition label, we require that a CN label be sent in each month that the food item is used. Examples of these food items are: fish sticks, chicken nuggets, corn dog, etc... Please check the date that is on the CN Label, as it is only good for five years. If you do not have immediate access to the CN label, we suggest that you do not serve or buy food items that require a CN label.

- Whole Grain Rich Bread

Please remember that whole grain rich bread must be served once per day per shift. Beginning October 1, 2018, if you do not serve whole grain rich bread on any given day, the meal with the least reimbursement will be disallowed. Please check at the end of each day to make sure the whole grain rich box is checked for at least one meal per shift.

- Centers with same meal for lunch and dinner

It is ok to serve the same meal for lunch and dinner if it is a different set of children eating the dinner that did not eat lunch. Please ensure that if you have any children that ate lunch, even if it is just one child, you must serve a different meal at dinner. Please remember, the purpose of the Child and Adult Care Food Program is to introduce the children to a variety of nutritious meals.
